Re: United States v. Anthony Romanello  
Criminal Docket No. 10-929 (ILG)

Counsel:

Pursuant to Rule 16 of the Federal Rules of Criminal Procedure, the government hereby furnishes the following additional discovery in the above-captioned case. The government also renews its request for reciprocal discovery.

In or about and between November 1998 and January 2000, a cooperating witness ("CW#1") consensually recorded conversations with various members and associates of La Cosa Nostra, among others. By letters dated August 25, 2011, August 29, 2011, and September 9, 2011, the government provided you with a list, consensually recorded conversations made by CW#1 available at DupeCoop. Below is a list of additional consensually recorded conversations made by CW#1 that are also available at DupeCoop.<sup>1</sup> You may obtain these materials by contacting John Palermo at (973) 895-1359.

Attached to this letter is an index of the consensually recorded conversations that have been produced to date, including information regarding individuals who may have been recorded during those conversations.<sup>2</sup>

In addition, the government is in possession of the following two consensually recorded conversations made by CW#1 that, due to technical difficulties, the government has been unable to open or review.<sup>3</sup>
